Dear Friends:

On behalf of the VA Puget Sound Health Care System patients and staff, we would like to extend our appreciation to you for your donation of a very generous supply of hospital grade medical/surgical Face Masks and Nitrile medical examination Gloves during our united front against COVID-19. (your itemized list is attached.)

It is through the efforts of community partners like you that allow us to continue the quality care and services that we seek to provide our deserving Veterans. We look forward to the opportunity to work with you again for future events to promote healing and good health to all.

Thank you for your continued support.

Sincerely,

Kimberly Wilkie  
Chief, Voluntary Service
